

COMMUNITIS

CONTAINER BASED PROMOTIONAL PROJECTS

Skills

We offer all-in solutions which basically involves;

- Design;
 - Customized production;
 - Project management;
 - Worldwide construction;
 - Storage;
 - Transport.
-
- Communits differentiates itself to be the most creative and largest player in the 'container based projects' business.
 - We do inhouse concept development for all of our projects.
 - We transform our client's commercial goals to the best possible mobile structures.
 - We are at our best when clients challenge us to solve promotional mobility issues.
